MEET THE MINTON FAMILY

Programs: Fall Festival, Sporties for Shorties, Pre School Day Camp, Day Camp, Safety Town, Christmas Aglow, Fishing Derby, Cops and Kids, Concerts and Fireworks, Easter Egg Hunt and more!

How many years of Township residency? 7 Years

Family Members in CTPR Programs Jacob Minton 8, Kaitlyn Minton - 6 and Tyler Minton - 4.

Number of years involved in the CTPR program: We started 6 years ago and have been enjoying them ever since.

Why did you choose this program/service? I choose to send my children through CTPR because the programs are great! The staff is friendly to the children and I trust them with my kids. The classes are affordable and there are so many to choose from. My kids really enjoy them.

What did you like most about this program/service? Safety Town is one of my favorites. The amount of stuff the children learn is amazing!

Christmas Aglow is another favorite. The fireworks this year were a big hit with the kids. They are just fun things for the kids to enjoy. We are lucky to live in Clinton Township and to be able to enjoy the programs.

Where, when or how did we exceed your expectations? Well, you always exceed my expectations but the one that

stand out is my son Tyler was in session two of Safety Town this summer. He has Aspergers Autism. The girls running it were GREAT with him. I received a phone call two weeks before his session started and she wanted to know what Tyler would need to succeed in the class. We went over details and the 1st day of class she was ready for him. He went every day and he did well. This was a huge accomplishment for him! It was a really big deal. Thanks CTPR staff!

Sam is a diligent and caring worker who is a vital part of our CTPR team.

Sam is the son of Tom and Sue Leto. His siblings include Tom and his wife Debbie, Mike and his wife Angie and sister Christina. He loves to spend time with his two nieces and nephews who enjoy the many games and activities Uncle Sam has to share. Sam has coached in many school districts in Macomb County while pursuing his degree in Physical Education and Kinesiology from Wayne State University. He has coached football at Chippewa Valley High School, Seneca Middle School and is currently coaching at Lake Shore High School. He also coached wrestling and softball at Fraser High School – where he has enjoyed coaching his sister. Sam has recently graduated from Wayne State and is working and coaching in the Clinton Township area while pursuing a teaching position. When not hard at work, he enjoys playing slow pitch softball.

THE AMERICANS WITH DISABILITIES ACT

The Americans with Disabilities Act went into effect on January 26, 1992. To this nation's more than 43 million citizens with disabilities, the ADA represents an unprecedented opportunity to eliminate the barriers to independence and productivity.

The purpose of the ADA is to extend to people with disabilities civil rights similar to those now available on the basis of race, color, sex, national origin and religion through the civil rights act

of 1964. It prohibits discrimination on the basis of disability in the private sector and in state and local private entities. It also includes provisions for telecommunications relay services.

The Charter Township of Clinton honors the ADA and will work diligently to make the necessary accommodations for individuals who need them. Please use the appropriate area on the registration form to make us aware of your situation and

needs prior to your participation in a Clinton Township Parks and Recreation program.

COPIES OF THE ADA ARE AVAILABLE FROM YOUR SENATORS AND REPRESENTATIVES AND CAN BE FOUND IN YOUR LOCAL LIBRARY.
